

Rite in the Rain Pen, All-Weather Pen, black

Order number: AS-01174

The all-weather pen for permanent documentation.

- Writes in any weather
- also writes upside down
- Writes at temperatures from -35°C to 120°C

This practical pen writes in all weathers, even on wet paper, without smudging. The ink cartridge works at temperatures from -35°C to 120°C and cannot leak or evaporate. The pen also works upside down and keeps your documentation in place every time you use it.
