

FireSales Fog Fluid Feuerwehr Fire drill, 5 ltr

Order number: AU-01170

Lightweight fog fluid for fire and evacuation drills.

- creates a smoky atmosphere
- especially for indoor use (small rooms, kitchens and offices)
- ideal for fire drills and evacuation scenarios
- based on water and glycol, leaves no residues

content: 5 l

dimensions: 19 x 15 x 24 cm

weight: 5.3 kg

Perfect for fire protection, rescue and chemical drills.

Realistic fog for outdoor and indoor use. Ideally suited for fire and HAZMAT simulations. The smoke fluid is made of the purest ingredients and is one of the safest smoke fluids for people and machines. One of the main ingredients is water. Suitable for all modern water-glycol smoke machines such as Nimbo, Cumulus, Stratus.

The smoke fluid can be used horizontally and vertically, making it versatile.
