

## FireSales Fog Fluid Feuerwehr intensiv, 5 ltr

**Order number:** AU-01180

Fog Fluid Intensive: a powerful fog fluid for fire drills.

- produces a dense smoke
- especially for indoor use (hangars, warehouses, factory halls and large staircases)
- fills large rooms with dense smoke
- based on water and glycol, leaves no residues

content: 5 l

dimensions: 19 x 15 x 24 cm

weight: 5,3 kg

With this smoke fluid, the formation of steam during operations can be realistically simulated and the emergency forces can be even better prepared for the emergency. The smoke fluid consists of the purest ingredients and is one of the safest smoke fluids for man and machine. One of the main ingredients is water. Suitable for all modern water-glycol smoke machines such as Nimbo, Cumulus, Stratus. The smoke fluid can be used horizontally and vertically, making it versatile.
