

Ruth Lee Handcuff Dummy, adult, weight 50 kg, size 1.80 m

Order number: AU-02090

Anatomically correct, the Handcuff manikin is ideally suited to police and prison services to train for the evacuation of restrained unconscious casualties in an emergency situation.

Made in the same way as the General Purpose manikin, the Handcuff manikin has slimmer wrists to accommodate handcuffs. The wrists are reinforced with a heavy duty PVC to prevent damage and there is also a PVC removable cuff that will prolong the life of the manikin.
