

## Neptune Refillersystem for Training Extinguishers

**Order number:** AU-03220

With the FireSales Neptune it is easy to fill the FireSales training extinguishers. Connect the airhose to an external compressor (not included) and connect the hose to a water tap. Now connect the practice foam tank and start filling 1-3 training extinguishers simultaneously! It is possible to choose if and how much foam you wish to use simply by opening valve between 0 to 100%.

- maximum 3 simultaneously
- ideal for filling with water or water and foam
- mechanical filling system, no electronics
- matches with the FireSales training extinguishers

Supplied with:

5 l practice foam

plastic box (dimensions 60 x 40 x 32.5 cm)

weight: 16.3 kg
