

FireSales Extinguishing Trainer BF Solid

Order number: AU-03252

The BF Solid is a fully standalone extinguishing trainer. The BF Solid allows to simulate a solid material fire in less than no time. With only 1 bar gas pressure it shows already a nice fire. The BF Solid is easy to use. Just connect the gas hose, press the handle and ignite the extinguishing trainer with a special burner (excluded). The flames stop when the instructor terminates the gas supply with the handle on the gas hose.
