

FireSales Stove, Add-on for extinguishing trainer Vesta

Order number: AU-03257

The add-on Stove represents a real life kitchen fire. Allow the fire to simply transfer across to the extractor hood by using the Vesta's extra gas exit. The Vesta can be completely hidden at the bottom of the oven and will therefore not be visible. (without extinguishing trainer Vesta)

material: stainless steel

dimensions: 60 x 60 x 208 cm
