FireSales Pandora's Box

Order number: AU-05130

Quickly and easily build a complete exercise in which many senses are stimulated. This is possible with the Pandora! It offers a realistic flame effect, sound effects and control of a fog machine. All battery operated and wirelessly controllable via a compact remote control.

- a complete "exercise box" for all possible scenarios
- appeal to multiple senses with dynamic exercises
- with two powerful LED lights and 13 sound effects
- possibility to connect a fog machine (not included)
- wirelessly controllable from any device with WiFi and internet browser
- effects can be controlled by several instructors at the same time
- with integrated storage space for a battery-powered Cirrus smoke machine
- equipped with a powerful rechargeable battery

Included in delivery: 1 plastic box 40 x 30 x 23.5 cm 1 rechargeable battery
