

FireSales Burning Smell Spray, 150 ml

Order number: AU-07210

The Burning Smell Spray is a spray can containing the smell of fire. The spray is comparable to an air freshener and has a profound effect on the reality level of an exercise. Smell is often the first thing that people observe with regard to a possible fire. The sense of smell is stimulated and immediately puts the student on edge. Smell also often plays an important role in locating a fire.
