

## Simulated burns, Set

**Order number:** AU-08235

This set is designed to assist in burn simulation, patient assessment and patient care.

The burns are flexible and can be effortlessly cut into any shape to fit any area of the live patient or simulator. The parts are reusable and come in ready-to-use condition. You can use theatrical makeup and fake blood to make the wounds look even more realistic with the help of paint.

Included in delivery:

- 1x 1st degree burns
- 1x 2nd degree burn (superficial)
- 1x 2nd degree burn (deep)
- 1x Burn 3rd degree
