

Optimus Stove Polaris Optifuel Black Edition

Order number: CA-01020

The Optimus Polaris Optifuel Black Edition is a real all-rounder.

With this stove you are well equipped for any outdoor activity.

- easy handling
- technical-innovative functions
- Multifunctional nozzle can be connected to the various fuels such as gas, pure gasoline, kerosene, diesel or kerosene
- easy and quick cleaning of the nozzle thanks to the magnetic cleaning needle
- durable aluminum pump
- venting function of the pump reduces the pressure in the cylinder
- the patented, fast igniting burner shortens the preheating time this reduces the fuel consumption, which is very helpful for every cook, especially on longer tours
