

## Optimus Stove Crux Lite

**Order number:** CA-01024

The Crux Lite offers all the features of the featherweight Crux, but comes with 11 grams less because this variant has been dispensed with the folding mechanism. The reliably robust stove has a powerful 3000-watt burner that distributes the heat optimally.

- with only 72 g one of the lightest stoves in the world
- powerful and stable 3000 W burner
- large burner head for optimal heat distribution
- precise flame control - simmer without burning
- CE certified: CE-048BN-004

delivery without fuel
