

Optimus Pot Set Terra Camp 4

Order number: CA-01027

The Terra Camp 4 is an efficient 7-piece cooking set - the frying pan with scratch-resistant ceramic and cooking pots with durable PTFE non-stick coating saves time and fuel by up to 40% each with the energy-efficient Heat Exchange pot with transparent lid and the Thermobag for passive cooking. With the Thermobag, rice or pasta succeeds with minimal cooking energy. It also serves as a transport protection. Thanks to a special bottom geometry of the pots, they stand safely on the burner.
