

Modestone 96x148mm Notepad, water and tear resistant

Order number: CA-01061

Waterproof, resistant to grease & wear, fireproof.
The Modestone Notepad with paper made from stone.

Thus, this notepad is ideally suited for outdoor use, whether hiking, geocaching, diving, survival, for authorities, emergency services or in the shower.
And on top of that, it is far more environmentally friendly than conventional paper, since no trees have to be cut down and hardly any water is used in the production process and significantly less CO2 is emitted.
