

BasicNature Seat Cushion, self inflatable

Order number: CA-01072

The comfortable seat cushion protects against cold and moisture. Turn the valve on and the pillow will inflate itself. Lightweight and compact, it fits rolled up into any bag or backpack. Perfect for camping, fishing, the swimming pool, the outdoor area, stadium visit or simply as an emergency pillow for guests. Including bag.

- self-inflating
- lightweight and compact
- with pack bag
