

HAIX Nevada PRO LOW, S3 safety shoes

Order number: EB-01205

Upper material
waterproof leather, hydrophobised, breathable (5.0 mg/cm²/h), 2.0 - 2.2 mm thick

Inner lining
GORE-TEX Extended; 3-ply GORE-TEX laminate, waterproof and highly breathable. Abrasion-proof lining fabric for maximum climate comfort, especially when frequently moving between indoors and outdoors and given high temperatures

Fleece insole
moisture-absorbent fleece insole

Insert
moisture wicking comfort insert with cushioning effect and antibacterial properties. Separate heel cup ensures optimized cushioning and foot guidance. "AIRFLOW" channels. "Perfect-Fit" mark for optimum verification of the correct shoe size

HAIX Composite Toe Cap
anatomically formed and ultralight protective toe cap made of fiber-reinforced plastic for highest safety requirements

Sole
in vogue, light sports shoe sole structure with rubber/PU, street/cross-country tread, raised level of foot roll comfort, highly abrasion-resistant and anti-slip - even under cold conditions. The low weight of the PU cushioning wedge ensures excellent running properties Very good insulation against cold, resistant to oil and gasoline, leaves no marks. According to EN ISO 20345:2011

Anti Slip
very good grip on different terrains by profile configuration and use of a special rubber

Protective Throughsole
flexible, light, metal-free and penetration protected insole

Sun Reflect
