

HAIX Fire Eagle, 2-zone lacing system boots

Order number: EB-01235

Upper Material

1.8 – 2.0 mm thick (5,0 mg/cm²/h) waterproof, hydrophobic and breathable leather

Inner lining

CROSSTECH Laminat Technology; 3-layer CROSSTECH laminate, watertight and breathable. Abrasion-resistant lining with optimized climate comfort for all seasons, especially for flexible alternating inside and outside use. Superior penetration resistance against blood and body fluids (protection against blood borne bacteria and virus). Increased chemical protection

Insole

comfortable, well cushioned, moisture resistant and anti-bacterial insoles. Separate heel section for improved cushioning and enhanced fit. "AIRFLOW" channels help keep the foot cool, plus "Perfect-Fit" marking to ensure correct fit

HAIX Composite Toe Cap

anatomically formed and ultralight protective toe cap made of fiber-reinforced plastic for highest safety requirements

HAIX TPU Toe Cap

specially developed profiled TPU toe cap for long lasting durability

Puncture Resistant Midsole

flexible, Lightweight and completely metal free puncture resistant midsole

Sole:

anti-slip rubber/PU sole with road/off-road profile, abrasion-proof, for enhanced toe-to-heel support, ideal for cold weather conditions. The lightweight PU cushioning wedge provides optimum wear comfort. Excellent thermal insulation. The non-marking outer sole is resistant to heat, oil and gasoline

HAIX Arch Support System

optimal support and shock absorption in the arch provided by

an anatomically formed last. Improved heel and arch design provides support while securing the foot, allowing for increased comfort and range of motion in the spacious toe area. Non-woven insole: Non-woven insole absorbs sweat and moisture

HAIX Vario Wide Fit System

choose from 3 different inserts to adjust the boot to the width of your foot

HAIX Climate System

Micro-Dry lining releases hot air through vent holes at the top of the boot, keeping the foot cool in all conditions

HAIX Fast Lacing Fit System

patented Two Zone Lacing System for quick and optimal lacing adjustment and correct fit of the boot. The integrated instep protector provides extra protection

Sun Reflect

reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler

Leg height

23 cm

CE 0197 EN 15090:2012 HI3 CI M SRC - Typ F2A

sizes: UK 3-15 / EU 36-51
