

HAIX Airpower C1 Women, service shoes

Order number: EB-01340

Upper Material

soft, supple aniline leather, hydrophobic, highly breathable due to special tanning methods, 1,8–2.0 mm thick, GORE-TEX XCR-System 3-layer GORE-TEX laminate, waterproof and breathable. Abrasion-resistant lining with optimal climate comfort for flexible alternating applications for inside and outside use. Increased chemical protection

Insole

TEXON (fleece) insole absorbs sweat and supports ankle

Foot bed

insole, anatomically formed, exchangeable, washable, very good moisture absorption, dries quickly

Sole

TPU/PU sole with fashionable street tread, highly wear resistant and very slip-proof – even in cold weather. Optimal step and bend behavior due to sporty toe and heel rounding. The low-weight PU, impact-absorbing wedge ensures outstanding walking characteristics. Oil and gasoline resistant, non-marking. Compliant with EN ISO 20347:2004

HAIX-AS-System

optimal support and shock absorption in the arch provided by an anatomically formed last. Improved heel and arch design provides support while securing the foot, allowing for increased comfort and range of motion in the spacious toe box

Others

antistatic to EN ISO 20347:2007, leather thickness 1.8–2.0 mm, waterproof and extremely breathable with GORE-TEX XCR-System, HAIX-AS-System, antistatic

CE EN ISO 20347:2007 O2 CI WR FO SRC
