

SEIZ THERMO-FIGHTER ZIP, EN 659:2003, A1:2008, AC:2009

Order number: EB-02145

Firefighting gloves (palm made of special leather) in dark blue / red with ZIP'N'CLOSE system.

Palm: Heat-resistant, impregnated special leather

Backhand: NOMEX in red and dark blue with a specially developed SEIZ heat absorber over the knuckles. Rubber band tightening on the wrist

Lining: SEIZ Senso Lining System. The KEVLAR lining is firmly processed with the GORE-TEX CROSSTECH membrane

Membrane: GORE-TEX CROSSTECH Glove Film Insert, permanently blood and bacteria-proof

Cuff: Cuff made of NOMEX with patented ZIP'N'CLOSE fastening system (zip and Velcro). The advantages of a standard cuff and a knitted cuff are combined. Steam and waterproof to the end of the cuff. Very good fit in connection with jackets.

Internal loop for attaching the gloves to the jacket.

sizes: 6-12
