

Flammgard Nordrhein-Westfalen Blouson women

Order number: EB-04503

This day service clothing is used by the fire brigade in North Rhine-Westphalia and, like all Flammgard products, is made from a hard-wearing, high-quality fabric. Firefighters wear it when they are not on fire - e.g. for equipment maintenance, training courses or fire safety guards. It is comfortable like Casual wear, looks representative and also protects in the event of a fire.
