

Flammgard Baden-Württemberg Blouson men

Order number: EB-04522

This day service clothing is used by the fire brigade in Baden-Württemberg and, like all Flammgard products, is made from a hard-wearing, high-quality fabric. Firefighters wear it when they are not on fire - e.g. for equipment maintenance, training courses or fire safety guards. It is comfortable like Casual wear, looks representative and also protects in the event of a fire.
