

rt collection Fleece-Jacket, with stand-up collar

Order number: EB-05047

The **rescue-tec fire department fleece jacket** not only looks good, it also keeps you warm and dry thanks to the integrated membrane.

- tunnel with epaulettes
- windproof front zip with chin guard
- left breast pocket with Velcro closure
- Velcro strips 130x25 mm for a Velcro sign
- Napoleon pocket with zip on the right
- reinforcements on shoulders, elbows, forearms and sides
- elastic cuffs

Material: double-layer fleece with PU membrane, 100% polyester

Mixed fabric insert: 65% polyester, 35% cotton

Sizes: XS-5XL **without oversize surcharge**

The design with many functional details and a modern cut makes it a representative companion in wind and weather. It is worn as **premium team clothing** by both men and women as a transitional and winter jacket.

But not only fire brigades wear the comfortably cut soft shell jacket, also task forces from THW, public order office, police and security services up to the Navy of the Bundeswehr appear in a dynamic look.
