

## WATEX Flash Hood extra long, one-size, 2 layers, EN 1149-3

**Order number:** EB-06010

- antistatic according to EN 1149-3
- with extended chest and shoulder protection
- high stretchability, thus optimal adjustment in the field of vision
- processing of red flat knit seams to avoid pressure points on the head e.g. when wearing helmets
- easy care
- especially soft for comfortable wearing
- high color stability due to spinneret dyeing
- elastic band in the face area
- seam pattern in contrasting red color
