

## WERO MED-X Rescue Blanket, green/silver, dimensions 210 x 160 cm

**Order number:** EH-05141

The WERO.MED-X rescue blanket offers personal protection against rain, wind, heat and cold. It is made of light, flexible material and retains up to 90% of body heat. It also reflects heat in hot weather and can be used to compensate for hypothermic reactions in the body. The WERO.MED-X rescue blanket is a thin and light blanket that reflects body heat and can thus keep the body wrapped in it warm in cold weather.

- aluminum coated non-stretch polyester film
- remains flexible even in cold temperatures
- reflects body heat back onto the body
- wind and waterproof

material thickness: 12 µm

pack size: 8 x 11 cm
