

HAIX XVENTURE GTX, Military coyote

Order number: FB-05000

Extremely robust and durable: XVENTURE GTX, your companion in the field.

Upper material

Cow split leather, hydrophobic, breathable, 2.0 - 2.2 mm thick.

Inner lining

GORE-TEX Extended- waterproof and highly breathable. Abrasion resistant lining with highest climate comfort, especially for flexible indoor and outdoor use and in warmer temperatures.

Insole

Comfortable, cushioning and moisture-wicking. Separate heel cup provides good cushioning and foot guidance.

HAIX Absorption

Cushioning with cushioning wedge incorporated into the sole.

Outsole

Rubber/PU sole with proven street/terrain tread, abrasion-resistant and slip-resistant. Optimal tread and rolling characteristics due to sporty toe and heel bounce. Fuel resistant, non-marking, excellent cold and heat insulation. According to EN ISO 20347:2012.

HAIX Vario Wide Fit System

The shoe can be individually adjusted in width by 3 different insoles. The red insole (medium) is delivered with the shoe. Insole in yellow (wide) and blue (narrow) available in the store.

HAIX Anti Slip

Very good grip on different terrain even in cold conditions, due to the tread design and the special rubber used.

HAIX Climate System

The HAIX Climate System uses the pumping motion that occurs when walking and transports moisture to the outside via the Micro-Dry lining on the cuff.

**HAIX CO System**

DGUV regulation 112-191 (BGR 191) Pressure relief, cushioning, correction of foot position, body alignment and muscle balance.

Other

very good heat and cold insulation, additional heel protection, closed lacing system
