

## BasicNature Undercover Calfpouch, for securities, ID cards and cards

**Order number:** FB-80501

In the calf pouch you can deposit your securities, ID cards and banknotes in an invisible place - namely on your calves (provided you are wearing long trousers, of course).

Like the money belts in this range, the calf pouch has pleasantly soft material on the body side. The fastening straps are infinitely adjustable and fully elastic. The calf pouch has 2 compartments, each of which is closed with Velcro. In the large compartment (body side) you have space for up to 13.5 x 10 cm, in the small compartment approx. 9 x 10 cm.
