

## rescue-tec Logbook Organizer DIN A4, Plane, with individual text

**Order number:** FB-80683I

Logbook Organizer DIN A4 well sorted in operation, work and everyday life.

A real all-rounder in terms of clarity is the logbook organizer DIN A4. As a special feature, it has a quick pull pocket, so that, for example, important documents can be quickly removed without opening the organizer extra.

A4 papers can be easily stowed, but there is also space for smaller sheets without losing them inside.

For individual labeling, there is an identification pocket on the front for name tag/business card.

For transport, it brings a handle, but also eyelets to attach an optional shoulder strap (FB-80780).

All features of the logbook organizer:

- Quick pull pocket on back
- outer pocket for name badge/business card
- three A4 compartments staggered for better overview
- snap loop to hold larger amounts of paper
- double zipper
- ring binder holder
- three pen slots
- one inner pocket with mesh
- smaller inner pockets for business cards etc.
- Key Clip outside
- loop inside for carabiner or Key clip
- carrying handle
- robust tarpaulin fabric

The logbook organizer is delivered with your individual 2-line inscription request. The cover flap offers space (17 x 11 cm) for a text, for example the vehicle name or the name of the local fire brigade or both.

Material: Polyester, PVC coated

Dimensions: 38 x 32 x 5.5 cm
