## rescue-tec Garden Sprayer, incl. 3/4" coupling

Order number: GE-02325

Our garden sprayer in fire brigade design! With highquality workmanship and a look reminiscent of a real fire brigade spray lance, this sprayer is not only functional, but also a real eye-catcher in the garden.

- heavy and robust design for a long service life
- The amount of water and spray jet can be infinitely adjusted using the lever and spray head
- incl. <sup>3</sup>/<sub>4</sub>" connection for common garden hose connections
- well suited for exercises by the children's fire brigade or festive events

Material: metal, plastic

Weight: 0.65 kg

The robust construction ensures durability and performance. With a powerful jet of water you can water your plants the fire brigade way. The ergonomic handle design enables effortless handling. This nozzle garden sprayer is a must-have for every gardener firefighter. Even the youngsters will have fun with it!
