

rescue-tec Glovekeeper with Carabiner, neon yellow

Order number: HO-01235

Useful holder with hook-and-loop fastener for quickly and reliably packing.

The gloves can be easily attached to the PPE via the large and swivel carabiner.

Material: webbing PP, carabiner metal

Dimension: 23 x 2.5 cm

Weight: 0.025 kg

Practical tip!

With this holder you can fast and easy connect tools, for example Halligan and axe, for transportation.
