

Holster Wolfsburg, for technical service equipment, belt fixation

Order number: HO-01420

For rescue after accidents. The holster has three partitions in different sizes for:

- knives
- special glass punch
- marker
- spin valve for tires
- small safety goggles
- spanner for barrier posts
- mask/ear protection
- timber wedges

It can be fixed to a normal leather waist belt, on a b. a. hip belt, on a fireman's safety belt and on the Molle-system. It is also possible to fix the holster with a carabiner. Use the adapter with Sucker for Holster (HO-01355) to fix the holster at the accident vehicle (not including). (without contents)
