

EDELRID WING RESCUE, Full body harness, one size

Order number: HR-02472

EDELRID WING RESCUE, a one-size-fits-all harness. With its innovative adjustment option, the harness covers the entire size spectrum.

- color highlighted tie-in area
- color coding for the waist belt buckle
- two soft material loops for ideal use with a backpack
- two dimensionally stable side gear loops with extra abrasion protection at the corners
- hip belt and leg loops can be fully opened with the triple lock buckles
- labeling field for personalization
- length-adjustable bar to the hip belt
- frontal opening
- size adjustable at the shoulders on both sides
- robust but lightweight mesh vest supports the donning process

material: Textile webbing, steel, aluminum and plastic fittings

EN 12277 type C, EN 361
