

PETZL ASAP'SORBER, Lanyard & Energy Absorber 20 cm

Order number: HR-04150

The ASAP'SORBER energy absorber may only be used with an ASAP or ASAP LOCK mobile fall arrester. It allows user to work at a distance from the rope, in order to protect it during certain work phases. Equipped with tear-webbing inside a pouch that opens on each end, the absorber is protected from abrasion, while allowing for regular inspection.

- by tearing the strap of the fall arrester, the impact force exerted on the user is reduced
- designed for users weighing between 50 and 130 kg
- durable fabric cover with an opening system at the ends protects the shock absorber from abrasion and splashes and allows regular inspection of the shock absorber
- the ends equipped with STRING elements keep the connector in the right position and protect the webbing from abrasion
