

PETZL ASCENSION Handled Rope Clamp, left-handed version

Order number: HR-07100

The ASCENSION handled rope clamp is designed for rope ascents and features an overmolded grip and ergonomic upper part for a comfortable and powerful grip when pulling with one or two hands. The ASCENSION handled rope clamp has a wide lower hole for easily attaching two carabiners for a lanyard and footloop.

- wide opening allows the handle to be easily grasped, even with thick gloves
- ergonomic upper part to maximize power when pulling with two hands
- safety catch is totally integrated into the body of the rope clamp to help prevent snagging
- toothed cam with self-cleaning slot optimizes performance under any conditions (frozen or dirty ropes...)
- wide lower hole allows the FOOTAPE foot loop carabiner to be easily connected
- upper hole for clipping a carabiner around the rope
