

PETZL Foot Ascender PANTIN

Order number: HR-07240

Designed for rope access and for tree care, the PANTIN foot ascender is used with the CROLL, ASCENSION or ASCENTREE rope clamps to keep the body upright and make rope ascents faster and less tiring.

- cam facilitates rope glide on the first few meters
- toothed cam with self-cleaning slot optimizes performance under any conditions (frozen or muddy ropes...) The stainless steel cam has better resistance to corrosion
- mechanism is totally integrated into the body of the rope clamp to help prevent snagging
- releases from the rope with a simple backwards movement of the foot
- lower strap is made of Dyneema to resist abrasion
- easy and quick adjustment with DoubleBack buckle
