

## PETZL Am'D SCREW LOCK Carabiner

**Order number:** HR-10005

The D-form of the asymmetric aluminium carabiner Am'D is ideally suited for mounting of abseiling devices and joining means for work positioning. The free of edge surface on the inner side and the Keylock-system make hanging up and out easier.

- **SCREW-LOCK:** manual screw-lock with red band provides a visual warning when the carabiner is unlocked
