

Delivery Hose TITAN ATTACK neon-orange, C42, 30 m, DIN 14811, STORZ coupling and protective collar

Order number: LT-01908

The perfect C-hose for indoor firefighting.

- burst pressure over 100 bar for high performance reserves
- very small bending radius resulting in less kinking = longer lifespan
- extremely high abrasion resistance thanks to special G&H 4Z system
- distinctive design for high visibility in indoor firefighting through contrasting weave
- clearly exceeds level 3 requirements (DIN 14811/A2) for abrasion
- standard G&H HOSE GUARD protects against coupling defects
- stainless-steel wire hose binding
- less susceptible to tangling and stretching
- suitable for all types of hose washing systems
- high-grade EPDM rubber lining, flexible at low temperatures, suitable also for hot water
- this type of rubber guarantees a very smooth lining with low friction loss
- very good adhesion between the rubber and jacket

material: polyester

bursting pressure: 85 bar

bending radius: 420 mm

colour: neon-orange

DIN 14811
