

Delivery Hose TITAN COMBAT neon-yellow C42, 30 m, DIN 14811, STORZ coupling and protective collar

Order number: LT-01910

The soft and flexible TITAN COMBAT is particularly suitable as rapid attack hose. The warp is made from stainless steel wire and is equipped with the protective collar HOSE-GUARD.

- less kinks by small bending radius
- long lifetime by increased abrasion resistance
- high reserve capacity by high burst pressure
- excellent resistance against foam fluid/chemicals
- strong and colourfast

material: polyester

working pressure: 16 bar

bursting pressure: 75 bar

bending radius: 520 mm

colour: neon-yellow

DIN 14811 - class 1
