

Delivery Hose TITAN X-TREME neon-orange, C42, 15 m, DIN 14811, STORZ coupling and protective collar

Order number: LT-01956

The durable GH 4Z weave for a minimal bending radius makes the TITAN X-TREME to a hose with a perfect handling which sticks out especially in poor visibly conditions. Maximal moveable, extraordinary smooth and extremely long-lasting.

• more than 80 bar bursting pressure for big power reserves
• very small bending radius, therefore less kinks and longer lifetime
• enormous high abrasion resistance
• high visibility by contrast weave

material: polyester
bursting pressure: 85 bar
bending radius: 420 mm

colour: neon-orange

DIN 14811 – A2
