

Spencer Basket Stretcher DAKAR, with wheels, 4 patient straps, footrest

Order number: RD-02067

For safe and proper casualty rescue in rough terrain.

This basket stretcher combines safety and mobility in almost any terrain. The big, ball bearing mounted wheels made from polyurethane offer an easy handling by only one person. And this with maximum comfort for rescuer and patient. The wheel system absorbs shocks and irregularities, so no vibrations will be transmitted to the body.
