

Ruth Lee Carrying Sheet up to 400 kg, for training manikins

Order number: RD-02230

This multi-functional sheet, has a wide variety of potential uses within the emergency services. Designed to replace the traditional salvage sheet in many instances, they are easier to manage, easier to clean and far more versatile. The sheet is closed at one end to prevent anything falling off the sheet. Constructed in waterproof, Fire Retardant, Heavy-Duty P.V.C, can be easily wiped clean and will not absorb body fluids. 10 x density, 50 mm polypropylene webbing handles aid even weight distribution during lifting.

supplied with:
P.V.C storage pouch
