

Finger Pulse Oximeter PC-60FL, Spot-Check-Measurement

Order number: RD-03017

For displaying oxygen saturation (SpO2), pulse rate (PR) and pulse intensity (bar graph)

- suitable for adults and children
- low energy consumption
- automatic shutdown after 8 seconds.
- battery level indicator - service life approx. 30 hours in operation

supplied with:
2 batteries type AAA
wrist strap
instructions for use

measuring range SpO2: 70-100%
pulse measurement range: 30-250 beats/min ($\pm 2\%$) or 30-235 beats/min ($\pm 2\%$)
dimensions (L x W x H): 5.8 x 3.2 x 3.4 cm
weight: approx. 50 g including batteries
