

## PAX Emergency Bag Oldenburg

**Order number:** RD-06025

The emergency bag Oldenburg offers enough space for a comprehensive basic equipment for professional use. The four large outer and side pockets and the main compartment are clearly organized. Two inside pockets "M" are also included as the shoulder strap. Due to the round cut, the outer and side pockets do not sit on the floor even when loaded. (without contents)

supplied with:  
shoulder strap  
2 inside pockets, size M

material: PAX-Tec (red), PAX-Plan (high-viz/bright yellow)  
dimensions: 57 x 30 x 36 cm  
volume: 52 l  
weight: 2 kg
