

rescue-tec First Responder Bag, Cordura red, with individual text

Order number: RD-06038I

This emergency bag offers enough space for basic requirements inside the automobile or for quick response Teams (QRT).

The top cover can be completely unfolded using an all around zip. On the inside of the top cover there are plenty of loops for small items. Inside the top cover there is a transparent pocket for important documents, information, etc.

The stable insert in the bottom part of the bag provides a secure stand and stability. On the front and on the reverse side of the bag there are transparent pockets for identification.

This bag can be carried by shoulder straps or as a backpack (without content).

This bag comes with its own labeling request. The top offers enough space (30 x 12 cm) for the vehicles name or the name of the district or both.

material: Cordura 1100

size: 49 x 27 x 32 cm

volume: 42 l

weight: 1.72 kg

Please ensure sufficient contrast between bag's basic colour and text!

This is an individual product. It can not be exchanged.

This bag is also available as a set with the extended filling accord. DIN 13155. More you will find [there](#).
