

PAX Modular Bag KT, welded, blue

Order number: RD-08575.M

Inside pocket for clear equipment organization. All the welded inner pouches are very easy to clean. They have no open surfaces where dirt or other contaminated stuff can hide. They have a label holder, which is accessible from the inside. A seal can be attached through the 2 zip fasteners on each bag. (without contents)

material: PAX-Tec Plus

dimensions: 8 x 43 x 8 cm

volume: 1 l

weight: 0.1 kg

colours: dark blue
