

PAX Modular Bag Set 1, welded, PAX-Tex

Order number: RD-08580

The inside pockets are compatible with many PAX products.

All the welded inner pouches are very easy to clean. They have no open surfaces where dirt or other contaminated stuff can hide. They have a label holder, which is accessible from the inside. A seal can be attached through the 2 zip fasteners on each bag. (without contents)

supplied with:

2 inside pockets M (red, yellow)

2 inside pockets FT (green, blue)

material: PAX-Tex

weight: 0.4 kg
