EN 443:2008, EN 16471:2014, EN 16473:2014, EN 50365:2002 + SOLAS, EN 14458:2018, EN 166:2001

colors: fluorescent, day/night luminescent, hi-viz yellow, red, white

Discover the Brandbull VULCAN NEO firefighting helmet with its striking design, optical class 1 retractable eye protection to protect your eyes from solid particles and liquids during rescue operations. Experience maximum comfort with a soft helmet interior, adjustable inner height and circumference for a tailored fit. Thanks to the large rotary wheel, you can easily adjust the head size even when wearing gloves. Additional holders for lamp adapters and breathing masks offer you additional flexibility. This helmet meets the highest safety standards according to Regulation (EU) 2016/425 and the standards EN 443:2008, EN 16471:2014, EN 16473:2014, EN 50365:2002 + SOLAS. A must-have for every fire operation!
