rescue-tec Tablet Organizer, Cordura, 5-colour camo print (German Army)

Order number: SP-01108

In addition to private and business use, tablets have also become an everyday companion during operations. The tablet organizer offers a particularly flexible and secure fastening solution for the tablet using Velcro strips. The fleece strip is sewn into the pocket, the self-adhesive Velcro strip is simply attached to the back of the tablet.

With the rear hand insert, it can be held securely with just one hand in portrait or landscape format without having to balance. If you don't want to use it, you can simply use it as a quick-pull compartment. The incorporated padding protects against external impacts. There is a slot for a notepad for handwritten notes or sketches. A pen holder is of course also on board.

For individual identification, the front is equipped with a loop for a 130 x 25 mm identification label.

• model-independent attachment of the tablet with Velcro strips
• for tablets up to 11 inches
• manual insertion enables a secure and comfortable hold
• compartment for a notepad
• outside pen holder
• loop 130 x 25 mm for an individual identification label
