rescue-tec carrying system for Hooligan and axe

With the carrying system it is possible to transport a Hooligan tool and a fire fighter axe or a splitting hammer together.

material: web belt

Hooligan tool

With metal cutting claw. The globally known multifunction Hooligan tool. For breaking open doors, windows etc. Can be used as a crowbar and pinching bar, for spreading and ripping open. With lever claw - ideal for breaking things open.

length: 76.2 cm, handle diameter: 25 mm

splitting hammer with fibre glass handle

Quality splitting hammer with fibre glass handle. Head and handle are virtually inseparable, therefore proving additional safety and a long service life.

length: 90 cm

bitting gauge

To open doors without door handle.

length: 18 cm
