

Clipboard A-Holders

Order number: TA-01050

Saunders has been manufacturing top quality clipboards and form holders made of aluminum for more than 60 years.

The Saunders form holder is versatile, practical and easy to use! Can be used by both right-handers and left-handers. It is suitable for forms in portrait and landscape format. The writing board provides a writing surface that is robust and easy to write on. The storage compartment at the bottom protects completed forms and keeps them safe and dry. Opens at the top.
