

Clipboard Snapak

Order number: TA-01060

Saunders has been manufacturing top quality clipboards and form holders made of aluminium for more than 60 years.

The Snapak—a book when open, a cassette when closed. This extremely popular sheet holder can be used for loose forms, sets of forms or sales ledgers. As well as a clip for securing your forms there is also an adjustable aluminum strip for keeping them in place. The Snapak can be closed, creating a handy cassette for protecting your forms. Opens at the side.
